

REMARKS

In an Office Action dated September 30, 2005, the Examiner: (1) allowed claims 16-35; (2) rejected claims 1, 5-9, and 11-15 under 35 U.S.C. § 103(a) as being obvious based on a combination of Takaoka et al. (JP 2002-362677) and Lee et al. (U.S. Pat. No. 5,620,928); and (3) objected to claims 2-4 and 10 as being dependent upon a rejected base claim, but allowable if rewritten to include the limitations of the base claim and any intervening claims.

By this Amendment, Applicants amend claims 1, 3, 4, and 10, without prejudice or disclaimer of the subject matter thereof. Applicants further cancel claim 2, without prejudice or disclaimer of the subject matter thereof. Claims 1 and 3-35 are pending.

Applicants respectfully submit that this case is now in condition for allowance. In particular, Applicants have amended claim 1 to include the subject matter of allowable claim 2. Applicants have canceled claim 2. Claims 3-9 and 11-15 now depend, directly or indirectly, from claim 1 and are thus allowable. Furthermore, Applicants have amended claim 10, which was indicated as being allowable, to include the subject matter of claim 1. Claims 16-35 were allowed by the Examiner, thus all pending claims 1 and 3-35 are now in condition for allowance.

Should issues remain that might be subject to resolution through a telephonic interview, the Examiner is requested to telephone the undersigned at (512) 996-6839. If Applicants have overlooked any additional fees, or if any overpayment has been made, the Commissioner is hereby authorized to credit or debit Deposit Account 503079, Freescale Semiconductor, Inc.
